NOTE

The handicap was based on an average per Km time for each club run and AV event that the runner has run this year. Seeing that Merricks is a longer event at 12Km, time was added on to the per Km rate as follows:

>5:00	30sec
>4:30	20sec
>3:50	15sec
<3:35	10sec

If a runner had not done a club run or AV event this year, the handicap was based on an estimated time.
